

Banklink – Beyond the basics

CooperAitken is very proud of their BankLink team who have passed their Platinum accreditation, the highest possible level, within the BankLink certification program.

What makes it extra special is we are the first in New Zealand to have a team who has achieved this level.

Congratulations to our BankLink team who are:

- Joan Coffey
- Alison Hallett
- Gemma Werder
- Rebecca Lingard
- Troy Hallett

To achieve this they have been using Banklink for a number of years and learning all the features that are available. To achieve the Platinum level each member had to sit an individual hands on practical exam demonstrating they knew their way around the BankLink program and all it has to offer.

The BankLink team support both our clients and the rest of the CooperAitken staff with training, resolving issues and answering questions. The team helps our clients in all areas, some clients do minimal inputting, leaving the Cooperaitken team to do all their processing and reporting, while others like to process this for themselves with our expert team on hand when they are needed.

They now officially understand the FULL POWER of BankLink and how it helps our clients.
